CITY REPORT:

W were selected for Paint the Town in which 40 houses will be selected to be painted on June 9th. We need to get the word out so the residents know about it - applications will be available at the end of Jan and we would like to put the applications in businesses and online. They will paint 40 houses but want as many people to apply as possible. They are also looking for local sponsors to provide breakfast, lunch, dinner, supplies, etc.

PSA is a consulting firm who sent out a proposal and it went out to many of the businesses in the area. It was not supposed to go out to everyone so you can just ignore it.

Moving forward with the \$2500.00 matching grant for facades for businesses in Cheviot – more information will be coming out later
